

BEST MAINTENANCE FOR JUNTANS

Piling is a critical part of any construction project and in many cases, there's no substitute piling equipment available when something goes wrong – that is why it is in everyone's interests to keep the piling equipment up and running. Junttan Maintenance Solutions are here to help our customers maximise uptime and minimise the costs of maintaining their Junttans. Traditional break-fix services are available globally.

WHY USE JUNTAN PREVENTIVE MAINTENANCE SOLUTIONS?

- Reduced Life cycle operating costs
- Decreased costly downtime and major repairs
- Maximum productivity and equipment efficiency
- Extended equipment life cycle
- Maintained resale value
- Improved operational safety and quality
- Operations planning is easier when standard costs are known in advance
- Purchased one-off basis or as LifeCare agreement based on customer needs

WHY USE JUNTAN CORRECTIVE MAINTENANCE SERVICES?

- Most in-depth knowledge about equipment
- Premium quality service
- Prompt breakdown analysis and fix according to factory standards
- Junttan Genuine Parts
